

2021 IEEE the 5th International Conference on CIRCUITS, SYSTEMS AND DEVICES

Shenzhen, China, during August 6-8, 2021

ICCSD 2021

2021 IEEE the 5th International Conference on Circuits, Systems and Devices (ICCSD) will take place at Shenzhen, China, during August 6-8, 2021. ICCSD 2021 is sponsored by IEEE and Beijing CEDA Chapter, hosted by Shenzhen University, and supported by University of Electronic Science and Technology of China, Southeast University, and etc. It will provide a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Circuits, Devices and Systems.

TOPICS OF INTEREST

(Topics for submission include, but are not limited to)

Smart grid and circuit
Electronics and Electrical Engineering
Nano Electro Mechanical System
Power Electronics
Solar Power Generation
Wind Power Generation
Low Power Design
VLSI Physical Design

Photonics and Optoelectronics
Electromagnetic and Photonics
Advanced Electromagnetics
Radio-Frequency Integrated Circuits
Circuits, Devices and Systems
Analog Circuits and Digital Circuits
Circuits and Electronics
Microwave Theory and Techniques

Switched Capacitor and Switched Current Techniques
Low-Power Low-Voltage Design
Radio Frequency Circuits
Linear and Nonlinear Circuits and Systems
Biomedical Circuits & Systems
Digital Circuits & Systems
Epitaxy and Light-emitting Diodes
Electro-optical Phenomena of Semiconductors

PROCEEDINGS

All accepted papers after proper registration and presentation will be published by conference proceedings.
